FY2015 City Budget

City Manager's Budget Message

Continuous effort - not strength or intelligence - is the key to unlocking our potential. Winston Churchill

The City of Brooksville's budget for FY2015 is \$47,415,944. It is a strategic budget that aligns our human, financial and capital resources with the ongoing priorities, plans and policies of the City Council. The budget provides for investments in quality of life, infrastructure, public safety along with business and community development.

The City's economy appears to be improving, although we continue to confront the prolonged effects of the economic downturn. We are not alone in working through a concerning economy, as cities all over the United States are still cautiously looking for the balance to move forward. In a report issued by the National League of Cities, entitled *Research Brief on America's Cities*, they summarized it like this: "Recovering local and regional economies experiencing slowly improving housing markets and increased consumer spending are strengthening local tax bases and economic outlooks. However, high levels of unemployment, uncertainty about federal and state actions, and long-term pension and health benefit obligations continue to constrain the fiscal outlook for many cities."

As we begin to see signs of improvement, we must balance our optimism and stay the course. With a fragile economy, it is not the time to jump ship or change the direction, but rather a time to continue our efforts and stay focused for the benefit of our residents, taxpayers, workers and visitors.

Since its peak in 2008, City property values have declined rapidly. Despite the dramatic impact of several years of significant revenue reductions, declines in intergovernmental revenues, and increases to

operating, material and employee benefit costs, the City has preserved and in some areas improved service levels for our community. Through the difficulties, we have stayed the course, following the direction of City Council, focusing on the creation of a strong, balanced local economy and a sense of community infused with social offerings and aesthetics.

While many other local governments, particularly across the State of Florida, are proposing an increase to their ad valorem tax millage rate and/or the taxes collected, the budget herein is balanced in a neutral position. This means we have balanced the

budget utilizing the City's roll-back tax rate of 6.6962 mils to collect the same ad valorem tax monies as FY2014. We believe that this stability is critical to continue to encourage investment by businesses and residents in the properties of the City of Brooksville.

In accordance with the priorities, plans and policies directed over the course of the last several years, the budget has been developed with the following objectives:

- ✓ Protect and maintain key services on which the public depends, while maintaining fiscal responsibility and stability; adequately apply and assign resources to mandated fundamental programs and vital public safety services; preserve City assets by providing a preventative maintenance and care program; and continue to right-size or realign the City's workforce providing for enhanced efficiencies within defined financial parameters.
- ✓ Continue with vital infrastructure improvements, as adopted over the last couple of years within City plans and documents.
- ✓ Provide services and support for a sense of community infused with social offerings, cultural events, recreation programs and aesthetics to enhance the quality of life, create economic impact and enrich our business/job creators and local neighbors.
- ✓ Encourage private investment and promote a shift toward invigorating our City's economy with a long-term focus on environment and culture for sustainability. Continue working with our business community to collectively meet the needs of and provide assistance to new and existing businesses in the community.
- ✓ Maintain adequate financial reserves.

This budget strives to balance service delivery of the highest quality to our neighbors and businesses, in a cost effective and efficient manner. We have made significant progress over the last few years in aligning priorities within the organization, improving processes, decreasing staffing levels, increasing productivity and efficiencies, implementing better technologies and created new ways to reduce or eliminate expenses. We have looked for and implemented significant service delivery alternatives through partnerships, cooperation, collaboration and cost-sharing programs with other governmental agencies, with private providers, or through voluntary efforts.

The FY2015 budget maintains services as well as necessary financial reserve levels. The budget assumes the continuation of funding for the water/wastewater fund and the solid waste fund with the rates indexed as

provided within City resolutions. The rates of the Fire Assessment have been adjusted to a more balanced position between Tier 1 (adjusted to decrease) and Tier 2 (adjusted to increase). The impacts of employee benefits, including medical coverage, workers' compensation coverage, HRA benefits and retirement costs have been adjusted within the budget; while no wage adjustments for any class of employee have been included.

Overall, the FY2015 budget continues our focus on defining our future City endeavors and governance based on Brooksville's rich history and past achievements. Our efforts will result in a forward-planning organization focused on collective outcomes for the prosperity of our entire City.

General Fund

The FY2015 General Fund operating expenditures, including transfers is \$7,109,721. This represents a 5.58% increase from the FY2014 Budget of \$6,733,935.

We continue to see limited and modest revenue changes in the General Fund. Property values which affect our ad valorem tax revenues have increased for the first time in six (6) years, with a very modest increase of 2.27%.

The FY2015 budget is based on an estimated unreserved fund balance as of September 30, 2014 of \$312,947. The minimum fund balance for FY2015, as established through City Council Fund Balance policy, is \$213,298 (3% of the projected General Fund operating expenses). The FY2015 General Fund budget estimates an unreserved fund balance above the minimum required balance, in the amount of \$274,659.

Ad Valorem Taxes

Ad Valorem Tax revenues, or property tax revenues, are dependent on two (2) essential components: 1) the taxable property value base and 2) the millage rate levied by local government. The City's taxable property values have decreased significantly over the last six (6) years. This has had a tremendous impact to the City's General Fund budget.

The City's total certified taxable assessed valuation is for FY2015 is \$381,361,875, an increase of \$8,651,474, or 2.27%, as compared to the prior year's final valuation. The net new construction assessed valuation during the last year totaled \$6,249,974. The following table shows the City's taxable values and net new construction for the last ten year period.

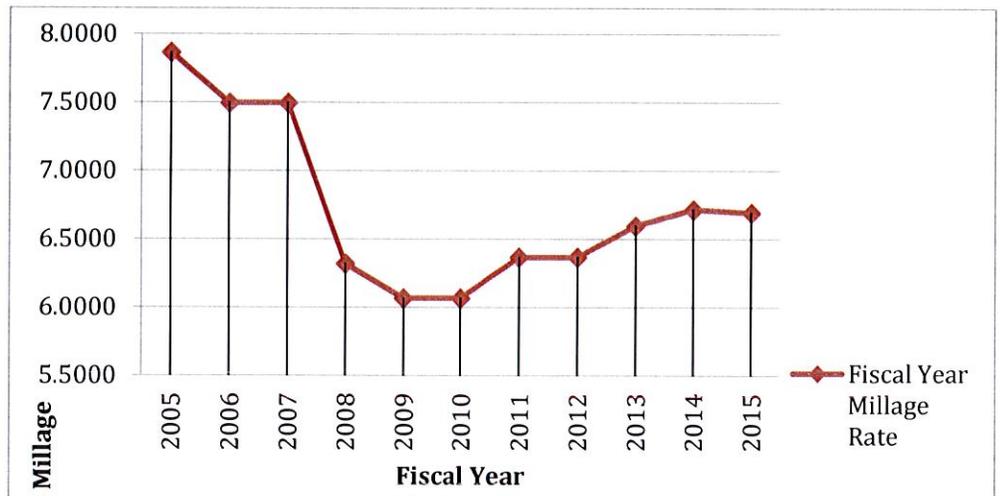

Tax Year	Net New Construction	Total Taxable Value	Change from Prior Year
2014			
Certified	\$6,249,974	\$381,361,875	2.27%
2013 Final	\$4,069,299	\$372,710,401	-0.28%
2012 Final	\$4,901,320	\$373,743,243	-4.27%
2011 Final	\$4,177,886	\$389,714,486	-10.16%
2010 Final	\$6,051,082	\$429,295,204	-10.06%
2009 Final	\$5,450,296	\$472,475,278	-20.31%
2008 Final	\$40,278,622	\$568,431,915	3.97%
2007 Final	\$22,874,490	\$545,843,654	11.68%
2006 Final	\$11,345,310	\$482,065,315	27.16%
2005 Final	\$2,933,356	\$351,157,823	18.16%
2004 Final	\$870,876	\$287,393,489	4.52%

In FY2005, the City began reducing the millage rate that stood constant at 8.0000 mils between FY1998 and FY2004 (property values at the same time were increasing). The City's wisdom, even in difficult times, has proven to be critical for growing and improving private investment and enhancing the City's opportunities to recruit and retain businesses/jobs. The City remains committed to growing the property taxable value side of the equation, as opposed to pushing up the millage rate.

The City of Brooksville is very fortunate because it enjoys a healthy number of commercial/industrial/institutional properties that provide tax relief to residential properties. Our commercial/industrial/institutional properties pay approximately 54% of the City's ad valorem taxes levied (correlated to the improvements on their respective properties). The City's economy, business district and jobs are very important to our ability to stabilize and prosper as a city.

The FY2015 includes a recommended millage rate of 6.6962 per \$1,000 of taxable value. The millage rate adopted for the FY2014 budget was 6.7317 mils. The following chart depicts the City's adopted millage rates, as correlated in time to the last ten years of taxable values above.

FY2015 revenues from ad valorem taxes are projected at \$2,425,992 (95% of \$2,553,675). Property tax revenues represents 38.42% of the General Fund revenue, excluding the General Fund's fund balance.

As you can see in the chart below, the FY2015 estimated property tax revenues still remain below the same level of revenue that the City received in FY2006.

The calculations below show the implication of the tax rate on a home with a homestead exemption of \$50,000 that is valued at \$125,000.

Assessed Value	\$125,000
Homestead Exemption	(\$50,000)
Taxable Value	\$ 75,000

Taxable Value	\$ 75,000
Millage Rate per \$1,000 of taxable value	6.6962 mils
City of Brooksville Property Taxes	\$502

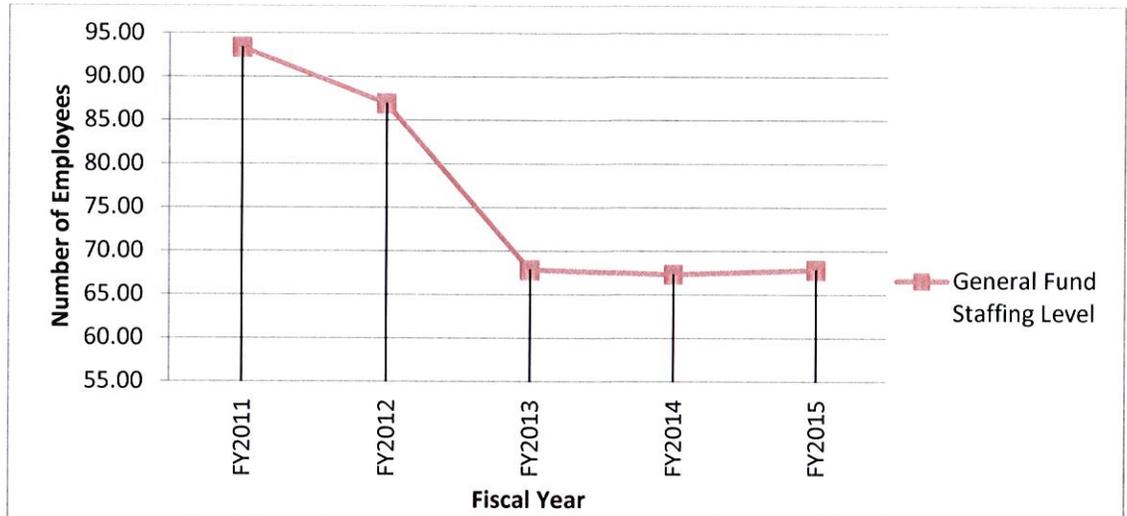

Obviously, this example only applies to homes with this taxable value and the applied homestead exemption.

General Fund Expenditures

The General Fund expenditures total \$7,109,721 representing an increase of \$375,786 or about 5.58% compared to the FY2014 General Fund adopted expenditures. The expenditures for FY2015 include some unavoidable and/or non-discretionary increases, including pension contributions, employee health/medical insurance coverage premiums and other general insurance premium costs.

The staffing levels for FY2015 remain relatively constant. We have included funding for 67.90 full-time equivalencies (FTEs) for the General Fund. This represents an increase of 0.5 FTEs. The increase is realized within the Police Department, due to the funding of reserve/part-time officers. The last five (5) years of General Fund staffing levels are depicted in the following chart.

FY2015 City Budget

A breakdown of the General Fund staffing levels by department of the same time period in the above chart (FY2011 to FY2015) is as follows:

The costs are inclusive of wages, FICA taxes, workers’ compensation insurance costs, retirement contributions, and employee health/medical, life, and long-term disability premium expenses.

Wages for employees within the FY2015 remain at the same levels as FY2014, without any wage adjustment. Workers’ compensation insurance premium costs have been adjusted to include rate increases of approximately 9.5% over the FY2014 premium costs. Retirement contributions will increase during the FY2015 budget. The Rates used within the FY2015 budget are as follows:

Where the money goes . . .

General Fund Expenditures by Department For Fiscal Year 2015

Special Revenue Funds

Fire Department

The Fire Department funding included within the FY2015 is in the amount of \$1,713,622. Primary funding for the Fire Department is provided through a General Fund contribution, coupled with a City Fire Assessment. The General Fund contribution is budgeted at \$1,014,677 (less than FY2014) and the Fire Assessment revenues equate to \$549,053 for funding the department.

On July 2, 2012 City Council adopted Ordinance No. 830 which implemented the levying a non-ad valorem special assessment for Brooksville. An assessment utilizing the “readiness to serve”, two tiered approach of funding was established for non-ad valorem special assessment collection for the fire department and fire related service delivery.

Fire Assessment rates included within the FY2015 budget are as follows: Tier 1 (relative value of improvements) is 0.80 per unit (1/1,000 of value); and Tier 2 (readiness to serve/per parcel rate) is \$80 per tax parcel. Additionally, FY2015 will require the assessment of churches and governmental properties.

The Fire Department FY2015 budget is essentially status-quo. There is no adjustment to staffing levels or wages. Employee benefits have been budgeted with the same increase requirements as outlined within the General Fund summary above.

Monies have been transferred as a loan from Vehicle Replacement Fund (502) in the amount of \$100,000 within the FY2015 budget. Monies are being borrowed to allow for a repair of the Fire Department’s roof. The loan will be paid back to the Vehicle Replacement Fund beginning in FY2016.

Non-capitalized outlay has been set aside for a portion of the 800 MHz radio upgrades for the Fire Department.

Capital Project Funds

Multi Year Capital Project Accumulation

Multi Year Capital Project Accumulation Fund is funded at \$1,671,400 for FY2015. The only funding source for the Multi Year Capital Project Accumulation Fund (other than minor interest revenues) is transferred monies from the Photo Enforcement Traffic Safety Program. Monies allocated from the Photo Enforcement Traffic Safety Program for capital improvements can only expended for of City streets, sidewalks, culverts, lighting or other safety related capital projects.

On December 5, 2011, the City Council approved to begin the design and implementation of a Pavement Management Program to systematically prioritize the City’s failing streets/road network. On February 3, 2014, the City Council approved the prioritized listing and beginning with the FY2014, work began on the adopted plan. City Council approved to move forward with the design/work of the first nine (9) road projects (including brick streets and sidewalks).

Of the nine (9) projects approved by City Council, two (2) will be completed in FY2014. Completed in FY2014 was East Early Street and the power washing and sealing of the downtown paver crosswalk areas.

During the FY2015 budget year we will continue with the projects approved by Council. The following streets/roads/projects from the City's Pavement Management Program and projects funded through the Multi-Capital Fund are allocated for completion:

PAVEMENT MANAGEMENT PROGRAM & MULTI-CAPITAL PROJECTS – FY2015

- ✓ **Bell Avenue** - Reconstruction of roadway from Oak Avenue to Cherry Street.
- ✓ **Daniel Avenue** - Reconstruction of roadway from CSX Railroad crossing to Main Street removing and stockpiling bricks.
- ✓ **Chatman Boulevard** - Reconstruction of roadway from U.S. Highway 41/ Broad Street to end of roadway.
- ✓ **Brooksville Avenue** - Reconstruction of roadway from, Russell Street south to Dr. Martin Luther King, Jr., Boulevard.
- ✓ **Veterans Avenue** - Reconstruction of roadway from U.S. Highway 41 (Broad Street) to State Road 50 (Jefferson Street).

- ✓ **Sidewalks** – Ongoing repairs and upgrades identified through Pavement Management Plan.
- ✓ **Drainage and Culvert Improvements** – including Moonlight Lane in Candlelight Subdivision (culvert replacement to Horse Lake Creek); East Avenue Bridge Repairs (deficiencies on Upper Horse Lake Creek); Liberty Street/Saxon Brook (bank erosion and culvert modifications); Southway Villas (deficiencies identified working with SWFWMD); and miscellaneous emergency culvert replacement.

Public Works Department – Utilities

Water/Wastewater Fund

The Water and Wastewater Fund is a not-for-profit public enterprise fund with a proposed fund balance is \$12,248,039 for FY2015. The primary funding source for this fund is water and wastewater customer charges/payments. The FY2015 customer charges are estimated at \$3,673,550. Other expected revenues are derived from connection (impact) fees and interest income.

The Water and Wastewater Fund has several areas where monies are set aside for capital improvements/investments (connection fees and special revenues) typically because of the source from where monies have been received.

This Fund remains fairly status-quo. Staffing levels have not changed. Provided within the FY2015 budget for this fund is a five (5) year large scale water and wastewater capital project list.

A 1.41% rate increase will become effective October 1, 2014 based on the City's adopted resolution (2008-27) regarding water and wastewater rates/services. We estimate that a residential customer using 5,000 gallons of water per month will see a \$0.78 monthly increase.

Sanitation Fund

The Sanitation Fund is another not-for-profit public enterprise fund with a balance of \$1,703,054. Also its funding source is primarily collected from residential and commercial customers throughout the City. The FY2015 budget remains fairly status-quo. An additional 0.5 FTE has been budgeted to increase the Equipment Operator's position from part-time to full-time, for street sweeping function needs.

A 2.8% rate increase will become effective October 1, 2014 based on the City's adopted resolution (2008-24) regarding sanitation rates/services. We estimate that a residential customer will see a monthly increase of \$0.36.

Partially Self-Insured Health Fund

The City is initiating a partially self-insured health/medical program beginning in FY2015. The self-insured health/medical program is funded through insurance premium charges. The City contributes premium charges on behalf of employees for employee only coverage. Employees pay dependent premium charges and retirees pay premium charges for their selected retiree coverage. The Partially Self-Insured Health/Medical Fund has been budgeted for maximum premium expenditures because it is the City's first year as partially self-insured.

Community Redevelopment Agency

The City's Community Redevelopment Agency has budgeted \$547,917 for FY2015. Taxable value estimates project that \$90,480 in total Tax Increment Financing (TIF) revenue is anticipated during FY2015. The Community Redevelopment Agency continues to focus and move forward with the priorities established by City Council for the Agency, including commercial exterior improvement grants, the projects of Downtown Beautiful plan, and the improvements and way-finding signage of the Downtown Gateway plan.

Conclusion

Over the next year, we remain hopeful in anticipating favorable economic conditions for our City characterized by measured growth. Real estate/property values should continue to grow modestly and decreases in State revenues appear to be leveling off. As positive signs of economic recovery are emerging, Brooksville can look forward to a future that is brighter than our recent past. We stand prepared and ready to unlock our potential as a City through our continuous efforts to be more.

Over the last several years, we have continued to seek the best possible alternatives for service delivery without the degradation of service levels. We cut tax rates and further balanced expenditures to align with the continued falling revenues while striving to preserve the City's core services. We have improved our processes, decreased staffing levels, increased productivity, greatly improved efficiencies, implemented better technologies and created new ways to cut and eliminate expenses. We have revised, reshaped, reused, reallocated, revived, realigned, recreated, reinvented, restructured and re-energized. We have pursued and sought out partnerships and collaborative service delivery opportunities with other local governmental agencies. We have tightened, cut, squeezed, eliminated, shrunk and reduced. We have faced overwhelming challenges and found great opportunities. We have shifted our City to the new normal of the economy.

We have presented a balance budget that is generally status-quo for service delivery levels, yet provides monies for investments in capital, improvements, maintenance and programs that are critical for Brooksville to shift ahead.

Many thanks to the Mayor, Vice Mayor and Councilmen for sharing and putting forward your ideas and priorities for the City, so that they could be incorporated into the budget and our ongoing plans, goals and direction.

I wish to thank our Finance team for their hard work in compiling a budget that best serves the needs of our residents, business owners, and visitors. I also extend my appreciation to the Department Directors and their staff for their active participation and valuable contributions to the development of the FY2015 budget. Our employees, their talents and contributions remain, by far, the City's most valuable resources.

The FY2015 budget maintains adequate fund balances in all funds, continues the major capital projects and maintains core services. I firmly believe that the budget is both responsive and responsible.

MEMORANDUM**

TO: HONORABLE MAYOR AND CITY COUNCILMEN
VIA: T. JENNENE NORMAN-VACHA, CITY MANAGER *T. Jennene Vacha*
FROM: TIMOTHY MOSSGROVE, FIRE CHIEF *Tim Mossgrove*
SUBJECT: RESOLUTION NO. 2014-12 – COLLECTION OF NON-AD VALOREM FIRE ASSESSMENT
DATE: SEPTEMBER 2, 2014

GENERAL SUMMARY/BACKGROUND: Attached for consideration is Resolution No. 2014-12, (the “Annual Assessment Resolution”) providing for the intent to use the statutory uniform method of collecting non-ad valorem fire assessments for fiscal year 2015 commencing October 1, 2014. Procedures are set forth in Ordinance No. 830 requires the adoption of an Annual Assessment Resolution during a duly noticed public hearing. Under section 46-167 of the Code of Ordinances, the City of Brooksville is authorized to levy non-ad valorem special assessments to fund all or any portion for fire protection. It has been determined that levying non-ad valorem fire assessments serve a benefit of public health, welfare and safety. The public hearing was properly noticed as required on August 16, 2014.

The most effective way to collect the non-ad valorem special assessments is to collect them through the same method of collecting ad valorem taxes, through the property appraiser and tax collector as provided for in section 197.3632, Florida Statute. Currently interlocal agreements with the Hernando County Property Appraiser’s Office and the Hernando County Tax Collector’s office are in place, and this fiscal year’s proposed rates were included on the TRIM notice sent by the Property Appraiser’s Office. Churches and government properties included in this year’s collections have been properly noticed by first class mail to the owner or agent of each parcel. The proposed assessment for each tax parcel as set forth therein is based upon \$.80 unit rate per \$1,000 of improvement value for Tier 1 (relative value of improvements) and \$80 per parcel for Tier 2 (readiness to serve).

BUDGET IMPACT: The proposed Resolution No. 2014-12 provides for imposition and collection of fire service assessments in such amounts as determined by City Council during the annual budget adoption process. The balance of the Fire Department budget will be funded through other legally available revenues of the City.

LEGAL REVIEW: The City possesses home rule authority for the levy and collection of special assessments and has considerable latitude with respect to adopting an apportionment method which provides the best fit in terms of cost and implementation, not only with respect to affected landowners but also to the staff and officials charged with maintenance of the assessment program from year to year.

STAFF RECOMMENDATION: Staff recommends adoption of Resolution No. 2014-12.

ATTACHMENT: Resolution No. 2014-12

RESOLUTION NO. 2014-12

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BROOKSVILLE, FLORIDA, APPROVING THE FISCAL YEAR 2014-15 NON-AD VALOREM ASSESSMENT ROLL FOR FIRE PROTECTION SERVICES, FACILITIES AND PROGRAMS; DIRECTING CERTIFICATION OF THE ASSESSMENT ROLL TO THE HERNANDO COUNTY TAX COLLECTOR; AMENDING CITY RESOLUTION NO. 2012-05; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BROOKSVILLE, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This Resolution of the City of Brooksville, Florida (the "City"), is adopted pursuant to City Ordinance No. 830 (the "Assessment Ordinance"), City Resolution No. 2012-05 (as amended and supplemented from time to time, the "Initial Assessment Resolution"), sections 166.021 and 166.041, Florida Statutes, and other applicable provisions of law.

SECTION 2. DEFINITIONS. This Resolution is the Annual Assessment Resolution contemplated by Section 2.07 of the Assessment Ordinance for the Fiscal Year commencing October 1, 2014 ("Fiscal Year 2014-15"). All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Assessment Ordinance and the Initial Assessment Resolution.

SECTION 3. FINDINGS. It is hereby ascertained, determined and declared as follows:

A. Pursuant to the Assessment Ordinance, the City adopted the Initial Assessment Resolution providing for the annual funding of fire protection services, facilities and programs through the imposition of annual special assessments, commencing in Fiscal Year 2012-13 and continuing each Fiscal Year thereafter.

B. The Assessment Ordinance provides for the adoption of an Annual Assessment Resolution approving, confirming or amending the Fire Service Assessment Roll for the upcoming Fiscal Year.

C. City Council scheduled a public hearing for September 8, 2014, to consider adoption of the Fire Service Assessment Roll for Fiscal Year 2014-15, as required by Section 2.08(D) of the Assessment Ordinance. Notice of such public hearing has been provided in accordance with the requirements of Section 2.08 of the Assessment Ordinance, proof of publication being attached hereto as Appendix A and an affidavit of mailing being attached hereto as Appendix B.

D. The Fire Service Assessment Roll for Fiscal Year 2014-15 has heretofore been made available for inspection by the public.

E. A public hearing was held on September 8, 2014, and comments and objections of all interested persons have been heard and considered.

F. The Assessments contemplated hereunder are imposed by the City Council, not the Property Appraiser or Tax Collector. Any activity of the Property Appraiser or Tax Collector under the provisions of this Resolution shall be construed solely as ministerial.

G. The legislative determinations and findings set forth in the Initial Assessment Resolution are hereby ratified, confirmed and incorporated herein by reference.

SECTION 4. APPROVAL AND CERTIFICATION OF ASSESSMENT ROLL.

A. The Fire Service Assessed Cost for Fiscal Year 2014-15 is approximately \$542,105. The Fire Service Assessment Roll for Fiscal Year 2014-15, a copy of which is on file with the City Clerk and incorporated herein by reference, is hereby confirmed and approved based upon a Tier 1 rate of \$0.80 per \$1,000 of improvements and a Tier 2 rate of \$80 per parcel.

B. The City Manager is hereby authorized and directed to certify the foregoing Fire Service Assessment Roll to the Tax Collector prior to September 15, 2014 for collection pursuant to the Uniform Assessment Collection Act. The Assessment Roll as delivered to the Tax Collector shall be accompanied by a Certificate of Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C. Notwithstanding anything herein to the contrary, Fire Service Assessments imposed against Governmental Property shall be direct billed in accordance with Section 3.04 of the Assessment Ordinance.

C. Fire Service Assessments shall constitute a lien upon Assessed Property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims until paid.

SECTION 5. AMENDMENT, RATIFICATION AND CONFIRMATION OF INITIAL ASSESSMENT RESOLUTION.

A. Section 3.06 of the Initial Assessment Resolution is hereby amended and restated in its entirety as follows:

"SECTION 3.06. EXEMPTION.

(A) The following Tax Parcel classifications are special designations used by the Property Appraiser for recordkeeping purposes and do not represent actual or assessable Tax Parcels and are not subject to the Fire Service Assessments contemplated hereunder: (1) common element, (2) header record, and (3) notes parcel.

(B) Certain Tax Parcels associated with the following classifications used by the Property Appraiser typically do not receive a special benefit from the provision of fire protection services and facilities or are infeasible or impractical to assess, and therefore

are not subject to the Fire Service Assessments contemplated hereunder: (1) utility, (2) mining, petroleum and gas lands, (3) subsurface rights, (4) right-of-way, (5) rivers, lakes & submerged land, (6) sewage disposal & waste lands, and (7) outdoor recreation or parkland.

(C) The foregoing classifications of properties are reasonably determined to be inappropriate, infeasible or impracticable to assess, and either benefit marginally or create a lesser or nominal demand or burden on the City's costs associated with readiness to serve, do not merit the expenditure of public funds to impose or collect the Fire Service Assessments, are tax exempt and/or otherwise generally serve in some respect to promote the public health, safety, morals, general welfare, security, prosperity and contentment of the inhabitants or residents of the City. The Assessment Coordinator, or her designee, is authorized and directed to use sound judgment in extending such determinations and guidance as the Fire Service Assessment Roll is collected.

(D) Based upon the foregoing, there are relatively few exempt properties within the City. Using legally available funds other than the proceeds of the Fire Service Assessments, the City shall otherwise fund or contribute an amount equal to the Fire Service Assessments that would have been otherwise derived from such exempt properties.

(E) Provided, however, the City Council reserves the right and ability in the future to impose Fire Service Assessments against Tax Parcels determined to be exempt hereunder to the extent permitted by law or otherwise in the event required or directed to do so by a court of competent jurisdiction."

B. As amended hereunder, the Initial Assessment Resolution is hereby ratified and confirmed. Any and all prior actions of the City associated with the imposition of Fire Service Assessments for previous Fiscal Years, including but not limited to the billing and collection thereof, are hereby approved, ratified and confirmed in their entirety.

SECTION 6. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Assessment Resolution shall be the final adjudication of the issues presented (including, but not limited to, the method of apportionment and assessment, the rate or rates of assessment, the Assessment Roll, and the levy and lien of the Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days of the effective date hereof.

SECTION 7. SEVERABILITY. If any clause, section, or other part of this Resolution shall be held by any court of competent jurisdiction unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and in no way affects the validity of the other provisions in this Resolution.

SECTION 8. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

DULY ADOPTED this 8th day of September, 2014.

LEGAL NOTICE

CITY OF BROOKSVILLE, FLORIDA
NOTICE OF PUBLIC HEARING
TO CONSIDER IMPOSITION AND COLLECTION OF
SPECIAL ASSESSMENTS TO FUND
FIRE PROTECTION SERVICES AND FACILITIES

The City Council of the City of Brooksville will conduct a public hearing at 8:30 p.m. on September 8, 2014, at City Hall, 201 Howell Avenue, Brooksville, Florida 34601 to consider imposition and collection of special assessments to fund fire protection services, facilities and programs for the fiscal year commencing October 1, 2014 (Fiscal Year 2014-15). The fire service assessment is an annual assessment which began in 2012, which will continue from year to year and will be collected by the Hernando County Tax Collector on the property tax bill. The fire service assessment for each parcel is calculated according to a two tier methodology pursuant to which a portion of the costs attributable to the City's continual readiness to provide fire protection services will be shared equally among all tax parcels on a per parcel basis (Tier 2), and a portion of the remaining costs will be shared in accordance with the relative value of improvements for each parcel in the City as compared to the value of improvements for all parcels in the City (Tier 1). For Fiscal Year 2014-15, the Tier 1 rate is estimated to be \$0.80 per \$1,000 of improvements and the Tier 2 rate is estimated to be \$80 per parcel. The total revenue to be collected through the assessment for Fiscal Year 2014-15 is approximately \$542,105. All affected property owners have a right to appear at the hearing and to file written objections with the City before or during the hearing. Failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title. Persons needing special accommodations should contact the City Clerk at (352) 540-3853. If a person decides to appeal any decision made by City Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence, upon which the appeal is to be made.
