On 09/03/2010 GOULD did not show up for his mandatory court appearance and information was received that he may have sold all his belongings and possibly left the country via Miami. After learning of the failure to appear BPD conducted a neighborhood canvass which revealed that GOULD was last seen by neighbors on 08/27/2010 leaving his home carrying a small bag. Once on VFW Road, he was seen entering the passenger side of an older model, blue in color vehicle (having damage to the rear quarter panel) driven by a white male, only known as CHRIS. GOULD has not been seen since. If anyone has information in reference to the whereabouts of GOULD you are requested to notify the Hernando County Sheriff's Office Warrants Division at (352)754-6830.
