

City of Brooksville,

And You!!!

Partnering For A Greener Tomorrow

The City of Brooksville, in partnership with the Brooksville Walmart Distribution Center, is pleased to announce the introduction of:

SINGLE STREAM RECYCLING.

Beginning Wednesday, October 3, 2012, the City of Brooksville will begin **SINGLE STREAM RECYCLING** of recyclables. The 1st and 3rd Wednesday of each month will be collection days.

Single Stream Recycling is when all recyclables are placed TOGETHER in blue bag(s) and placed at the curb for collection. There is NO sorting required at the home, making recycling easier and more efficient. (Recyclables will be sorted at a single stream recycling center).

Please help...by participating in curbside recycling!

For new recyclers, please complete and return this form with your regular Utilities payment and we will deliver recycling bags at your location or you can pick up bags at the Brooksville City Hall (201 Howell Avenue) or at the City of Brooksville, Department of Public Works, (601 South Brooksville Avenue). For additional information, please contact Michael McQuown at 352-540-3860 or e-mail him at MMcquown@cityofbrooksville.us
