**CITY OF BROOKSVILLE**  
**WATER, WASTEWATER AND SOLID WASTE SERVICE CONTRACT**

The applicant(s) for water, wastewater and solid waste service agree(s), jointly and severally, if applicable, to conform and to abide by all the rates, rules and regulations provided by ordinance, code, resolutions or otherwise of the City of Brooksville for water, wastewater and solid waste services as are now and hereafter in force, which rates, rules and regulations as now or hereafter in force are hereby incorporated as a part of the contract as is set out in full herein; and to pay the charge for any restoration of service. Applicant(s) further agree(s), jointly and severally if applicable, to pay water, wastewater and solid waste hook-up and connection fees where applicable and to pay all charges for water, wastewater and solid waste service, as they may become due and at the scheduled rate in effect, unless and until notice is given by the applicants to the City of Brooksville through the Customer Service Department that the residence or business has been sold, excepting only such periods of time as to which the Customer Service Department has accepted an application for water, wastewater and solid waste service from a tenant/renter occupying the premises at the same service location.

**Section 17-136 - When bills payable; penalty for delinquency, water service subject to discontinuance.**

Bills for the monthly charges and fees mentioned in the article shall be submitted and shall be payable on the twentieth (20<sup>th</sup>) day of each month and if such monthly bill shall be and remain unpaid on or after the twentieth (20<sup>th</sup>) day of such month, a penalty of ten (10) percent shall be imposed and be added to the bill, and, the water service consumer shall be subject to discontinuance and shall not be reconnected after discontinuance until all past-due water bills and sewage disposal fees are fully paid, together with the discontinuance and reconnection charge section 17-137.

**Section 17-137 - Charge for discontinuance of service for default in payment of bill.**

There is hereby fixed and established a charge for discontinuance of service for default in payment of any bill. If a consumer's service is discontinued for default in payment for any water, sewer or garbage charge levied by the city, the consumer shall be charged a fee as fixed by city council by resolution for the reconnection of service during normal working hours. If reconnection is requested before or after normal working hours from Monday through Friday, weekends or on a holiday, the consumer shall be charged a fee as fixed by city council by resolution. Service shall not be reconnected to any residence, or non-residential, commercial or industrial establishment, until the default in question and the charge fixed and established by resolution are paid in full.
